

The holiday of a lifetime

Each year, Dreamflight takes 192 children aged 8-14 with a serious illness or disability on the holiday of a lifetime to the theme parks of Orlando, Florida.

We believe it is important to bring some fun and joy into the lives of children whose conditions have brought them pain, distress and disruption. Priority is given to those who would otherwise not have such an opportunity due to their medical conditions and/or social circumstances.

Dreamflight is not just a holiday but can be a life changing experience for these most deserving children. They are accompanied by volunteer escorts, mostly from the medical professions, together with some non-medical escorts – people who have supported and fundraised for Dreamflight throughout the year.

Please visit www.dreamflight.org for information or to make a donation.
